Unlike traditional Polo style collars the 'flappy bits' that are not only untidy but may also interfere with anchor at full draw, so Lionhart designed their own collar. The collar provides an up-stand to protect from the sun on the back of the neck and has a buttoned placket.

If people would prefer an alternative collar (diagram of choices attached) please indicate which one you require on the order form.

# SIZES AND FIT STYLES

Shirts are available in all sizes from children to very large adults.

The shirts are 4 cm longer than the average shirt, as we shoot with our arms raised!

Shirts are UNISEX but supplied in three fitting styles:

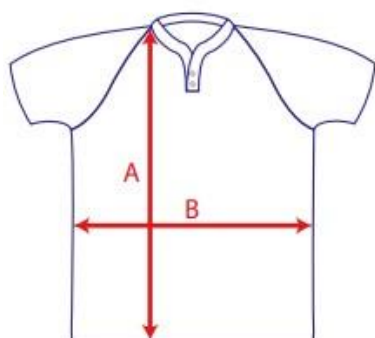

- > STRAIGHT (larger body type or very young)
- > HALF-TIGHT (athletic body type)
- > TIGHT (with defined waist line, suitable for ladies)

There are small increments between sizes, so the designations will vary from what might be expected so shirts are sold by **GARMENT** measurements and **archers are advised to measure a shirt they are comfortable shooting in and compare that to the chart.**

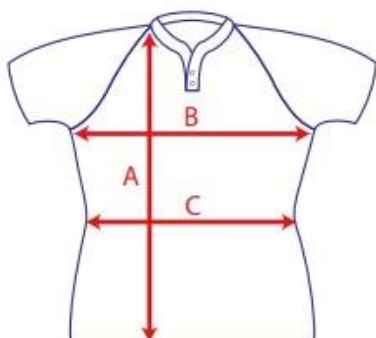

If in doubt go one size larger.

Please DO NOT simply order by designation S,M,L etc.
