

Scoring

In target archery there are two scoring methods, 5 Zone ('Archery GB') and 10 Zone ('World Archery'). Both methods use the same target face but have different scoring zones.

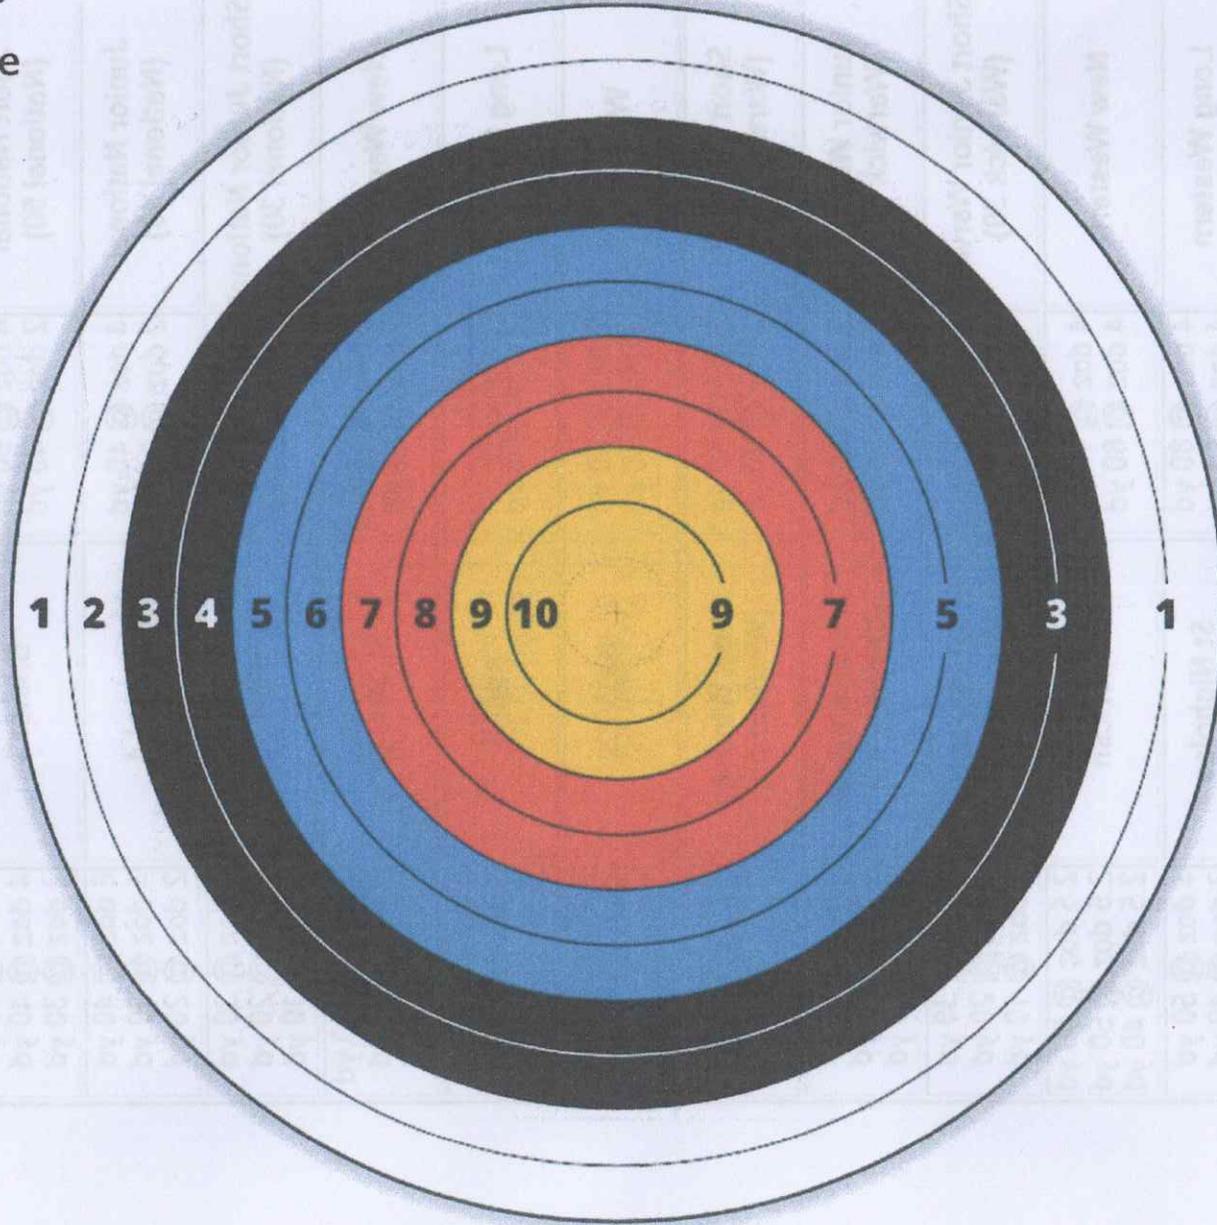

FITA METRIC ROUNDS

10-Zone Scoring

1 2 3 4 5 6 7 8 9 10 9 7 5 3 1

GNAS IMPERIAL ROUNDS

5-Zone Scoring

In both scoring methods an arrow that is touching a line separating zones (a 'line cutter'), scores the value of the higher scoring zone.
